2021 SINGLE VINEYARD RESERVE CARNEROS PINOT NOIR THOMAS

INTRODUCTION

Thomas Vineyard was originally planted in 1974 and acquired by Donum in 2016, though we had worked with fruit from this vineyard since our first vintage in 2001. In need of a full replant when we acquired it, the vineyard started producing fruit again in 2021, allowing us to re-release our Thomas Pinot Noir, which was originally released in 2008 to celebrate Thomas Ferguson's 100th birthday. This wine represents the top Pinot Noir barrels from this ranch and demonstrates the importance of terroir, as it is quite different in profile from our Carneros Pinot Noir despite being sourced just a mile away.

WINEMAKER NOTES

Deep ruby in color, the 2021 Thomas Pinot Noir opens with aromas of flint, plum, blackberry and mulling spice. The palate is tightly wound in its youth, slowly revealing complex layers of blueberry, raspberry, clove and cherrywood. Well structured, the wine finishes with extremely persistent notes of fresh fruit and floral. Drink from 2024-2032.
