## 2021 SINGLE-BLOCK RESERVE CARNEROS PINOT NOIR WHITE BARN

### INTRODUCTION

First produced in 2016, White Barn comes from a block of Wadenswil clone Pinot Noir planted on a western-facing slope in front of the Donum Home. Harvested at lower sugar to highlight the red fruit, a portion of whole bunches are used in the fermentation to add complexity and savory notes. White Barn shows that a lighter-style Pinot Noir can still have all the depth of flavor and intensity found in riper versions.

### WINEMAKER NOTES

The 2021 White Barn is medium ruby in color, with cranberry, candied cherry, white plum and forest floor aromas. The palate offers cherry and cranberry, along with an intriguing salted watermelon component. Firm and structured on the finish, with tea leaf and licorice lingering. Recommended drinking window is 2024-2032.
