GIFT OF THE LAND

## 2022 SINGLE VINEYARD CARNEROS PINOT NOIR THREE HILLS

### INTRODUCTION

Our Estate is nestled in the rolling hills of Carneros, with three prominent hills marking the ranch's northern, eastern and southern boundaries. The Three Hills Pinot Noir pays homage to this undulating landscape and is selected from the vineyard's cooler, later ripening portions. The result is a slightly lighter, more ethereal wine than our Carneros Estate Pinot Noir while still possessing the depth and concentration typical for Donum. Blending occurs right before bottling, after 16 months of aging in French oak barrels.

### WINEMAKER NOTES

Deep ruby in color, the wine is accompanied by enticing aromas of dusty rose, cranberry, strawberry and a touch of white pepper. The palate unfolds with layers of juicy berry, cranberry and apple, enhanced by subtle notes of floral and baking spice. The finish is structured and vibrant, with great natural acidity and minerality. Recommended drinking window: 2024-2031.
